- Uses less water

710 DUSTLESS PREMIUM SET PLUS

Merkrete's 710 DUSTLESS Premium Set Plus features innovative, patented DUSTLESS Technology (DLT).

710 DUSTLESS Premium Set Plus is a premium-grade thin-set for installing porcelain, ceramic tile and natural stone to walls or floors in commercial and residential applications. Its innovative Dustless Technology produces significantly less dust than ordinary thin sets promoting cleaner working conditions and reducing mess. **710 DUSTLESS Premium Set Plus** uses less water, is creamier and easier to spread.
